Student Life Made
Easy

SERVICES

Thank you for not spreading the access code to the platform, which is offered by the university and strictly personal.

ACCOMMODATION

We help you to find and book a flat through offers on the platform.

VISA

You will find the complete process on our platform and the list of required documents.

CAF

You will find the process to decrease your monthly rent (usually 20% off) if you are eligible : you can not have earned more than €10 000, two years ago

BANK

You will receive your French bank details by email, two weeks before your arrival in France.

Once in France, you will sign the contract and pick up your bank card. The bank fees are offered during the first year or for 6 months, if you are over 25.

PHONE

You can subscribe to a French phone plan on the platform and pick up your card, on the first day of your arrival in France, at the bank.

3 types of subscriptions:

- €9,99 for unlimited calls, texts and 100 MO of Internet + 100 MO in Europe.
- €15,99 for unlimited calls in France and land lines in more than 100 countries, texts and 10 GO of Internet + 3 GO in Europe.
- €20,99 for unlimited calls in France and land lines in more than 100 countries, texts and 100 GO of Internet + 5 GO in Europe.

HOME INSURANCE

You can subscribe on the platform. You will receive your home insurance certificate by email, two weeks before your arrival in France, which is required to check-in into a student residence. The price is around €6,6/month for a studio, under 28 years old (if more, add 10%).

SERVICES

Thank you for not spreading the access code to the platform, which is offered by the university and strictly personal.

ELECTRICITY

You can open your electricity account on our platform in 5 minutes. Benefit from a 100% green energy and a discount of €15 on your first bill. The price are the reglemented ones.

CVEC

(For free-movers only)

This is a French tax, it's costs 91€ and we help you to buy it online thanks to our video tutorial and paper guide. You need to provide the certificate to your school before the beginning of your studies.

TRANSPORT CARD

You will find all the process and prices, for all the different subscriptions that exist in your city to move freely. You will choose the best one for you !

HEALTH INSURANCE

You have to apply ASAP for the free French health insurance (called social security), by following the process on the platform. You will be 70% covered by the French health insurance system so you also can buy a mutual, on the platform, to be more reimbursed.

VISA Validation

It's mandatory to validate your VISA online, within the 3 first months in France. It has to be done on an English website and it takes 10 minutes.

If you don't do it, you can't benefit from CAF and social security and you can't travel. Moreover, you will be illegal. Find on the platform the process to quickly validate your VISA and buy the 50€ tax stamp.

TITRE DE SEJOUR

Two months before the expiration of your VISA you need to renew it at the International desk of your university. You will find the process on the platform.
